

Here At Home By Maude Miller

WHY THE 'Y'?

We're impressed by a statistic! Sam Levy gave it to us. He's General Chairman of the 1956 YMCA fund-raising campaign...

Another quote to note from Mr. Levy: "Everyone's proud and excited because Torrance is growing so fast. Young people are pouring in here by the thousands..."

WOMAN SIDE

Asked Ella to sum up her impressions of the first two days of Market Week of the "California Fashion Creators"...

"If I could say something bright, I'd write the column! Oh, my aching feet and breaking back! But if Torrance women aren't the best-dressed gals in creation this Spring and Summer..."

"Also," says Ella, "Easter Sunday is April 1st. (Ed. note: "Oh, no!") We're ready, so you can be too! Two of our "Pat Premo" styles are featured in the January "Harper's Bazaar"..."

MAN SIDE

Top Tips for Spring: Our suede sport coats, our corduroy sport coats. Wonders for your wardrobe for wonderfully little money.

You've asked for 'em... we've got 'em: Arrow, white, Oxford cloth, button-down round collar, in both French and barrel cuffs. Also in colors.

Have you looked at your shoes lately? Other people do! We don't have a new shoe line, but Ray tells me our Freeman shoes are still "the footwear of successful men."

OUR SIDE

Mr. L. says that THE TORRANCE HERALD (and we love it) carried front-page articles, with pictures, about the "Y" campaign. "But," says Sam, "no one called and volunteered to help..."

City Auditors To Open Class On Income Tax

"Income Tax Returns" will be the general subject for discussion when Logan Cotton and Myron Francisco, Redondo Beach public accountants call their class to order at Redondo Evening High School next Monday evening, Jan. 16 at 7 p.m.

"We intend to make a thorough review of problems connected with filing individual returns and in addition will treat in detail problems pertaining to partnership returns," stated Cotton.

Each year there are many changes in the law and we attempt to interpret these changes in as concise and clear a manner as possible.

The class sessions will progress on the following schedule of topics:

- Jan. 16—Federal Income Tax Procedures.
Jan. 18—Individual Income Tax Returns.
Jan. 23—Preparation and Filing of Tax Returns.
Jan. 25—State Income Tax Procedures.
Jan. 30—Proper Account Keeping.
Feb. 1—Your Income Tax Problems.

No charge is made for these meetings and all interested persons are invited to take advantage of this service.

Cotton and Francisco are auditors for the City of Torrance.

Couple Bother Couple With Obscene Remarks

A couple have been calling them lately and making lewd suggestions, Mr. and Mrs. DeWayne McDaniel, of 2028 Lomita Blvd., told sheriff's deputies Friday.

When McDaniel answers, a man of boy makes the lewd remarks, while if McDaniel answers, the man turns the phone over to a female voice, who does the same thing.

Area Enters 1956 With One Strike

Metropolitan Los Angeles entered the new year with only one strike in progress and 150 employees out of the Merchants and Manufacturers Assn. announced in its year-end summary of local industrial relations.

The year 1955 had fewer work stoppages than 1954, but they were more severe. About three times the number of workers were involved as in the previous year, the M & M reported.

There were 65 active strikes in 1955 with 64,101 employees out and 959,744 man-days lost, compared to 70 in 1954 with 21,843 employees out and 218,337 man-days lost.

During the month of December, 1955, there were no new work stoppages, but five were carried over from November.

The number of employees directly involved in strikes in December was 3755 with 81,425 man-days lost. However, it is estimated that more than 100,000 workers were indirectly idled due to the rock products industry shutdown.

Four of the December strikes were called by AFL unions and one by the CIO.
